## Welcome back!

After three years away from the Conference West, and a year without any league hockey at all, Clifton Robinsons Men are back with a point to prove. After finishing agonisingly close to promotion in the 18/19 season, the boys bounced back to gain promotion thanks to their 2nd place finish in the West Premiership in 19/20. They take on Ashmoor HC.

The Ladies 2s continue their adventure in Conference West for the third consecutive season, ever present since the 2nd XI was allowed promotion to the England Hockey League. Cheltenham make the short visit down the M5 to be the first visitors to our new Lawns pitch.

More information on the 2021-2022 league structure can be accessed [here](#).

Enjoy the games!

# Chairman's Welcome

Welcome to Clifton Robinsons Hockey Club

A warm welcome to our visitors this weekend – Cheltenham playing our Ladies 2s on Saturday (2pm start at The Lawns) and Ashmoor up against our Men's 1s on Sunday (1pm start at Clifton College). We also welcome our match officials and all members and supporters of Clifton Robinsons HC ("The Blue Army").

This is the start of what promises to be an exciting season for Clifton Robinsons. Our Ladies 1s opened up last week with a battling 2-2 draw v champions Surbiton and we are looking forward to watching some entertaining hockey this weekend. The ladies sides are well set for the season ahead whilst the men return to England Hockey league action with an exciting new look squad aiming to finish high in the EH Conference West.

The club is going from strength to strength with us fielding 12 senior sides week in week out, with potential to add more next season. Complimented by a huge and successful junior section and talented Masters teams. We were again the club to enter the most teams in the wide range of England Hockey Championships last season.

A big shout out to the "engine room" of the club – Nick Sutcliffe, Ian King, Rod Naughalty, Izzy Palmer, Kathryn Rendell, Jamie Mortimore, Abi Porter, and Phil Bailey – and no doubt several more.

We hope you enjoy the hockey this weekend and please do join us in the bar afterwards to hopefully celebrate some good results!

Best wishes,

Duncan Long ("Longer")  
Chairman, Clifton Robinsons HC

## 26th September 2021 - 1pm

The Men have had an excellent off-season and have 18 new recruits into the 1st to 3rd teams, having lost only three. Pre-season training has been incredibly competitive as a result and we are looking stronger than ever heading into the new season. New Head Coach Fraser Henderson has gone about setting the teams up in the way he would like to play, with support from Assistant Coach Scott Davidson and Coaching Advisor Turloch O'Siochain. This season we have changed the structure of training sessions with the M1 training alongside the L1 on a Thursday evening, allowing the M2 and M3 to train together before the weekend. It is our hope that this helps to push competition for places and also allows for movement to take place between the sides more fluidly. This training structure should also allow more of our promising junior players to have access to quality hockey, which will aid their development. Without setting too high expectations, we hope to have successful seasons in the M1-M3s teams and look forward to what the season may bring!

The first visitors of the CRHC Men's campaign are familiar foes Ashmoor, who themselves gained promotion in 18/19. They have adapted well to life in the Conference, sitting 3rd before the 20/21 season was curtailed. A pre-season friendly just two weeks ago ended with a convincing 5-1 win for Clifton Robinsons, but it is Ashmoor with the Conference experience. It should be a fantastic match up!

**Clifton Robinsons Men's 1st team are very pleased to have the support of Cockburn's Port. Cockburn's do things their way and that is something we are also very proud of at Clifton Robinsons.**

**A bottle of Cockburn's Port will be presented to the opposition player of the match at each home game, as decided by the Clifton Robinsons Men's 1st team management group.**

## 25th September 2021 - 2pm

Hi everyone! I'm Jules, this season's ladies 2s captain. A little bit about me... I grew up in Oxfordshire and have played hockey since I was knee high to a grasshopper for my local club Banbury HC and then continued to play hockey at university for UWE. I joined CRHC two seasons ago after I graduated and floated between the 2s/3s at the start but eventually secured a spot in the 2s. Unfortunately, as is the way for most of us, Covid had a huge impact on last season so I'm raring to go this time round! Rich, Nick and Trigg are the main cogs this year playing crucial roles in organisation and communication. With them, I hope to lead the team through a successful season in the conference west league! Please come and support us as much as you can, and I'll always be around to say hello!

After last season's turn of events, this year Clifton Robinson's ladies 2s were thrilled to get back into action over the preseason period. The squad is welcoming some new faces, as well as some old, and after some good preseason results, the team are excited to kick off their campaign on Saturday 25th September. Our new coach Rich Major has brought some fresh ideas, and with a new leadership team (and pitch!), the girls are optimistic for a successful and enjoyable season ahead.

# Last Weekend: Clifton Robinsons 2 - 2 Surbiton

After 10 months of no Premier League hockey, Clifton Robinsons L1's returned to a sunny Coombe Dingle at last, taking on reigning league champions Surbiton.

After a slightly delayed start due to traffic on the M4, Alice Wills opened the scoring for Surbiton in the sixth minute before Catherine Macauley equalised through a well timed deflection for the hosts early into the second quarter (check out Smifspor ts for an epic celebration photo!)

Macauley was then on target again shortly before half-time to hand Clifton the lead going into the break from a well finished penalty corner. Eloise Stenner then equalised for Surbiton just a few minutes into the second half.

Clifton Robinsons sustained a lot of attacking pressure from Surbiton throughout the final quarter, but their penalty corner defence remained strong and the game finished 2-2.

## Who are we?

The premier hockey club in the South West with over 650 members across the Mens, Ladies and Juniors Sections. Playing in the Investec Premier National Division our Ladies' 1s play at the highest level in UK hockey, with our Mens' 1s and Ladies' 2s playing in the West and South Wests Premier Divisions. We are a volunteer run club who every year strive to maintain a high quality and affordable club for our members, which is why club sponsorship is so important to us.

## Why Sponsor Us?

With an excess of 650 members plus supporters, a strong parent network, family and friends, CRHC could offer you exposure to a wide range of future clientele, particularly in the local area. In addition, our 1st and 2nd teams, who travel further afield, could help advertise your organisation to a wider market. Our 1st team travel as far as Manchester and London, with International pre-season fixtures (having travelled to Belgium, Dublin and Holland). There is the possibility of further European exposure should our Ladies' 1s reach our target of a top-4 finish, and European qualification via the play-offs. European matches are also broadcast live on TV, creating further advertising opportunities. Last season we reached the Investec Cup Final, for the 5th time in succession, winning gold. This year, there is a new rule that every Premier game must be filmed, which we hope will lead to more above the line coverage e.g on BBC/Sky TV. CRHC boasts a number of International players, who could offer further scope for publicity for your company or organisation and we'd be happy to discuss any ways we could help promote your company or organisation in the community.
