# Clifton Robinsons M1 - Plymouth

## Marjons M1

30th October 2022 - 2pm

## Welcome back!

After a week to rest and recuperate, the M1 are back on home turf.

A tough loss last time out, this young squad can only have learned from the experience. It's been a pleasure seeing so many U18s make the cut and we are excited to see how they develop.

The visitors, Plymouth, will be hoping to add to their 12 goals this season already - can Scott Davidson's side keep them at bay?

More information on the 2022-2023 league structure can be accessed [here](#).

Enjoy the games!

# Men's Chair's Welcome

Hello everyone, and welcome along. This week we are delighted to host the players, coaches and visitors from Plymouth Marjon, as well as the umpires and match officials, at Fortress Clifton College.

It has been a strong start to the season for the 1st team under Hacker and Fraser, with some really strong performances. In defeat, even more so than in victory, there are opportunities for learning. The lads have regrouped since their first loss of the season to Chichester last time out, and I'm sure this weekend's game will get us back on the right track.

Further down the club there have been some terrific results, considering almost every team is playing a league higher than this time last season. A real club highlight must be the Men's 2s travelling 'away' to Firebrands last week and picking up a resounding 4-1 win, with a consummate performance.

Another shout out has to go to the Ladies' 1s, who currently sit third in the Premier division after a really strong start to the season, putting on some really strong showings against tough teams.

Congrats also has to go to our social team, Abi & Conor, for the highly successful Night at the Bingo social last week. Please keep your eyes peeled for more info about upcoming socials!

As we move further into the season a big, and ongoing, thank you has to go to the army of volunteers who help to run our wonderful club week in and week out. From organising fixtures, captaining or coaching teams, umpiring, organising our junior sections, or preparing this wonderful programme (and our top notch social media content), our club simply wouldn't run without you. We're always on the look out for new volunteers to help out, so if you feel you can spare some time to pitch in there's always a job to do!

Enjoy, and I'll see you at the bar,

Boy

# Clifton Robinsons M1 - Plymouth Marjons

30th October 2022 - 2pm

After a bump in the road last week, Robinsons are looking to get back to winning ways against familiar foes, including ex Robbies player Jon Tew, Plymouth. Despite last week's defeat, the side will be feeling confident against a team who lost 6-1 at Clifton College last year, in the game which all but secured Robbies' Conference status.

Having struggled last year, Plymouth actually remain unbeaten this year; their stubborn defence taking most of the plaudits with 3 draws and a solitary win. The Blue Army will be hoping Mr Consistent, Isaac Hocking, can break them down today.

# Previously:

## Clifton Robinsons M1 2 - 2 Ashmoor

A heavily spirited Robbies side hosted a solid Ashmoor team at home of hockey ( Clifton College Sports Ground ) for a thrilling second game of the season.

Fuelled by a combination of Jelly Babies and Nick's changing room bangers we entered the first quarter strong. Some liquid hockey followed with periods of domination throughout the opening 35. Hacks set us up playing what can only be described as a Pep Guardiola style of play from the boys, this shocked the sluggish Ashmoor side leaving the chaps from Clifton with complete first quarter domination.

The game quickly gained traction with some strong but fair challenges being put in from both sides; unfortunately the S&C programme had made the Robbies boys too strong for the away side and a few cards quickly followed. Shortly after this both sides were clinical and took the chances tha came.

Positivity and a can-do attitude flourishes within the Robbies camp, which helped to form some unbelievable spells of play creating opportunities left right and centre. Ashmoor matched this attitude and bought their A game. Both teams split the points after a 2-2 draw which continued Robbies unbeaten run in the short lived season so far!

CLUB SPONSORSHIP

## Who are we?

The premier hockey club in the South West with over 650 members across the Mens, Ladies and Juniors Sections. Playing in the Investec Premier National Division our Ladies' 1s play at the highest level in UK hockey, with our Mens' 1s and Ladies' 2s playing in the West and South Wests Premier Divisions. We are a volunteer run club who every year strive to maintain a high quality and affordable club for our members, which is why club sponsorship is so important to us.

## Why Sponsor Us?

With an excess of 650 members plus supporters, a strong parent network, family and friends, CRHC could offer you exposure to a wide range of future clientele, particularly in the local area. In addition, our 1st and 2nd teams, who travel further afield, could help advertise your organisation to a wider market. Our 1st team travel as far as Manchester and London, with International pre-season fixtures (having travelled to Belgium, Dublin and Holland). There is the possibility of further European exposure should our Ladies' 1s reach our target of a top-4 finish, and European qualification via the play-offs. European matches are also broadcast live on TV, creating further advertising opportunities. Last season we reached the Investec Cup Final, for the 5th time in succession, winning gold. This year, there is a new rule that every Premier game must be filmed, which we hope will lead to more above the line coverage e.g on BBC/Sky TV. CRHC boasts a number of International players, who could offer further scope for publicity for your company or organisation and we'd be happy to discuss any ways we could help promote your company or organisation in the community.
